## WE ARE TRYING SOMETHING NEW FOR THE NEW YEAR!

We realize that many of our members are feeling left out because they create artwork too large to show in the gallery. After a discussion, we would like to try something new.

## BIG ART

For the first quarter, January intake, we are asking our members to bring in large pieces to fill their panel or half/panel. There will be a maximum of 2 panels per artist. Our plan is to fill the gallery with large pieces of art and bring in new home buyers for wine & cheese receptions. It is our hope that they will find that perfect piece of art to decorate their new homes.

**If you do not want to bring in an oversized piece, please don't worry**  
**- we will also take in the regular work for panels and ½ panels**  
**The details for this intake will be in the usual *Call For Art* sent out**  
**for the first quarter.**
